

FOR AIR BREATHING IN HAZARDOUS ENVIRONMENTS

2 MAN AIR

BREATHING

The Quill Falcon Mobile 2 Man Air Breathing Unit is designed for asbestos removal contractors or those customers working in hazardous environments where they have a need for air fed breathing apparatus.

The Quill Falcon Mobile 2 Man Air Breathing Unit is manufactured to compressed air breathing standard EN12021 and works with most stand-alone compressors. The Quill Falcon Mobile 2 Man Air Breathing Unit provides a reliable source of high purity air for up to 2 operatives and can be supplied with airline breathing harnesses and Scott RAS masks. There is an integrated control panel for monitoring individual operatives air supply and the unit has 2 robust wheels so the unit can be wheeled around site easily.

On site air quality testing can be provided for this equipment if required, please call +44 (0) 1332 864664 or email sales@quillinternational.com to arrange your on site air quality test.
